Notice to the shareholders

Luxembourg, 30 October 2019

To the shareholders of the Market Access RICI Agriculture Index UCITS ETF (the "Merging Sub-Fund")

Notice is hereby given to the shareholders of the Merging Sub-Fund that the board of directors of the Company (the "**Board of Directors**") has decided to merge the Merging Sub-Fund into a sub-fund of the Company, the Market Access Rogers International Commodity Index UCITS ETF (the "**Receiving Sub-Fund**"). The merger shall become effective on 10 December 2019 (the "**Effective Date**").

This notice describes the implications of the contemplated merger. Please contact your financial advisor if you have any questions on the content of this notice. The merger may impact your tax situation. Shareholders should contact their tax advisor for specific tax advice in relation to the merger.

Capitalized terms not defined herein have the same meaning as in the prospectus of the Company.

I. Background and rationale for the merger

Due to the low level of assets under management of the Merging Sub-Fund, the Board of Directors is seeking to pool all of the assets of the Merging Sub-Fund within the Receiving Sub-Fund.

The Board of Directors believes that this merger will be in the interest of shareholders, who are expected to benefit from the increased scale of the pooled investments of the Receiving Sub-Fund and additional operational efficiencies.

II. Summary of the merger

The merger shall become effective and final between the Merging Sub-Fund and the Receiving Sub-Fund on the Effective Date.

On the Effective Date, all assets and liabilities of the Merging Sub-Fund will be transferred to the Receiving Sub-Fund. The Merging Sub-Fund will cease to exist as a result of the merger and thereby will be dissolved on the Effective Date without going into liquidation.

The investment manager of the Merging Sub-Fund may start realising the portfolio of the Merging Sub-Fund up to five (5) working days ahead of the merger so that the assets of the Merging Sub-Fund might comprise only cash. As a consequence, the Merging Sub-Fund may not be compliant with its investment objective, investment policy and investment restrictions, and the Merging Sub-Fund's portfolio may no longer be diversified in accordance with UCITS risk diversification requirements during that period.

No general meeting of shareholders shall be convened in order to approve the merger and shareholders are not required to vote on the merger.

Shareholders holding shares of the Merging Sub-Fund on the Effective Date will automatically be issued shares of the Receiving Sub-Fund in exchange for their shares of the Merging Sub-Fund in accordance with the relevant share exchange ratio and participate in the results of the Receiving Sub-Fund as from such date. Shareholders will receive a confirmation note of their holding in the Receiving Sub-Fund as soon as practicable after the Effective Date. For more detailed information please see section V (*Rights of shareholders in relation to the merger*) below.

Subscriptions of shares of the Merging Sub-Fund will be suspended as indicated under section VII (*Dealings in the Merging Sub-Fund*) below.

Other procedural aspects of the merger are set out in section VI (*Procedural aspects*) below.

The merger has been approved by the *Commission de Surveillance du Secteur Financier* (the “**CSSF**”).

The timetable below summarises the key steps of the merger.

IV. Calculation of net asset value and share exchange ratio

For the purpose of calculating the relevant share exchange ratio, the rules laid down in the articles of association and the prospectus of the Company for the calculation of the net asset value of the Merging Sub-Fund and of the Receiving Sub-Fund will apply.

The number of shares of the Receiving Sub-Fund that investors will receive will be calculated according to the formula provided in the prospectus of the Company (section 12.2 Conversion of shares).

¹ The current total expense ratio disclosed in the prospectus is 0.70%. However, from the Effective Date onwards, it will be changed to 0.60%. The Shareholders of the Merging Sub-Fund will therefore benefit from a decrease of the total expense ratio.

V. Rights of shareholders in relation to the merger

If applicable, the shareholders of the Merging Sub-Funds will also receive a residual cash payment per share.

Neither a subscription fee nor a redemption fee will be levied within the Receiving Sub-Fund or the Merging Sub-Fund as a result of the merger.

Shareholders of the Merging Sub-Fund will acquire rights as shareholders of the Receiving Sub-Fund from the Effective Date and will thus participate in any variation in the net asset value of the Receiving Sub-Fund.

Shareholders of the Merging Sub-Fund not agreeing with the merger will be given the possibility to request the redemption or where possible, the conversion of their shares of the Merging Sub-Fund at the applicable net asset value, without any redemption charges (other than transaction charges retained by the Merging Sub-Funds to meet disinvestment costs) during the 30 calendar day period following the date of the present notice.

VI. Procedural aspects

No shareholders vote is required in order to carry out the merger under article 31(4) (a) of the articles of association of the Company. Shareholders of the Merging Sub-Fund not agreeing with the merger may request the redemption or conversion of their shares as stated under section V above until 29 November 2019.

VII. Dealings in the Merging Sub-Fund

In order to implement the procedures needed for the merger in an orderly and timely manner, the Board of Directors has decided that subscriptions for shares of the Merging Sub-Fund will no longer be accepted or processed from the date of the present notice.
